## RECOMMENDATION LETTER

I am writing to recommend the services of the BIM Manufacture.

I have been using BIM Manufacture to make for our company Revit library for LIUNE DOOR.

Liune door are dream product for any interior designer and those wishing to utilize all available space. Liune door are more than doors. They are intelligent way for integrating, modern and free life.

So the BIM Manufacture had not the easy task.  
They did an excellent job and I have been completely satisfied.

I am happy to recommend the service of BIM Manufacture.  
If you have any question, feel free to contact me.
